"THE LITTLE MINISTER."

Charles Frohman's Company will present "The Little Minister" the comedy success of the century at the Auditorium, Tuesday, October 23rd. The play has made a marvelous impression on the theatre-going public, not only attracting people in crowds to the houses in which it has been presented, but making them feel that there is more heart and sentiment in its scenes, and lines, than anything that they have ever seen before. "The Little Minister" is a comedy written by J. M. Barrie, and founded on his popular novel of the same name. The love story of "Lady Babbie" and the quaintly humorous characters of the village of Thrums—the twin charms of the book—are delightfully represented in the play. The play exalts the same exquisite heart-winning atmosphere, that pervades Mr. Barrie's pages. The comedy ran for 300 nights in New York, turning away people from every performance. This is no idle statement, it is a remarkable fact: not a single night during the entire season run of the piece in the Metropolis, did the curtain go up on the play that every inch of standing room in the house was not taken. The New York triumph has been duplicated everywhere, and it would seem that "The Little Minister" is destined to crowd theatres as long as it lives. It is a beautiful play, in every way, and Charles Frohman's name in connection with the production is a guarantee that it is all that theatre-goers could desire. Seats on sale at Gates's Book Store Saturday, October 20th. Management of L. M. Luchs.

Al. W. Martin's big scenic and dramatic production of Uncle Tom's Cabin will be the attraction at the Auditorium tomorrow night. This is actually a \$20,000 production of this grand old historical play, and is really a grand scenic revival. It requires an entire train of three Pullman palace cars to transport this mammoth spectacle, which includes sixty people, twenty ponies and donkeys and burros, mules, oxen, horses, the original Georgia Jubilee Shouters, pack of 12 specially imported Cuban bloodhounds, Eva's golden chariot valued at \$3000, three bands of music, Uncle Tom and his typical ox cart and a solo orchestra. A grand free street parade, the finest ever witnessed will start from the theatre at noon. Seats on sale at Beagle & Lytle's drug store.

DARING ROBBERY

Thief Loots Till at the Thels Hardware Store and Escapes.

One of the most daring robberies that has ever been committed in this city took place at the hardware store of H. P. Thels about 7 o'clock last evening. Two well dressed strangers entered the store and requested to be shown stoves. Mr. Thels and his clerk showed one of the men the required articles. He was very particular about learning the different prices of the stoves, but finally selected one and told Mr. Thels that the stove was to be shipped to Parkersburg. He then inquired the price of cooking utensils and galvanized iron ware and on being given the necessary information, said that he would get his father, who was stopping at one of the hotels, and consult with him about the quantity of cooking utensils desired. After securing this information he would return and pay for the articles.

The other man in the meantime stayed in the front part of the store and got in his slick work, in robbing the cash drawer of the safe, which was open. Mr. Thels thought the actions of the men were suspicious, but did not discover the loss until he was preparing to lock up. He then learned that the cash till had been relieved of \$6 together with several orders and checks. The robbery is similar in almost all respects to the one which was perpetrated in Wittling's jewelry store a couple of years ago, when about \$90 was secured.

Lorimer Arrested.

Marshal Jake Dye had some trouble yesterday with Edward Lorimer, who keeps a saloon on the corner of Ohio and Third streets. The trouble was over an attachment for the Finley Brewing Co., served by Marshal Dye. Marshal Dye placed Lorimer in custody of the city jail to await trial before Mayor Sykes, who was out of town. Lorimer's attorney demanded for him a habeas corpus hearing. Such proceedings were instituted before Probate Judge Nixon. Marshal Dye asked until 5 o'clock as a reasonable time to secure a warrant or give Lorimer a trial. As it then was nearly 5 o'clock, Lorimer was held before Judge Nixon until that time, by which time Marshal Dye had sworn out a warrant before Justice N. E. Kidd. Lorimer was then remanded to jail by Judge Nixon to await trial.
